Welcome and thank you for your support. We need to increase the circulation of *The Seeker* urgently. As we have neither the wish, nor indeed the funds, at this stage to advertise *The Seeker* in other magazines, we have provided an *additional* subscription form to your own and earnestly request that you show your copy of *The Seeker* to a friend or relative who may be interested in taking out a subscription. The additional form can also be used as a gift subscription but in that case please enter after "four issues" the words "on behalf of". The name and address of the friend/relative should appear in the box provided but kindly enter your own name on this side of the form and kindly indicate whether or not you wish your gift to remain anonymous.
